VINCI CONSTRUCTION**

MAIN INTERNATIONAL CONTRACTS OBTAINED IN 2006

- By geographical Area -

June 2007

EUROPE

Belgium

- **AB (Eiffage)** : square development in Antwerp - €9 M
- **AB (Eiffage)** : redevelopment of the Theaterplein and surrounding area in Antwerp, for Stad Antwerpen - €9 M
- **CFE (Vinci Construction)** : 4 lanes for rail network and speed increasing - €27.6 M
- **CFE (Vinci Construction)** : construction of offices for Axa JECL - €26.8 M
- **Colas** : collectors of Beveren & Melsele (Flanders) : concrete pipe work, construction of drainage channel and main service works - €11.1 M
- **DEME (Vinci Construction)** : L'escaut en mer, dredging - €175 M
- **Duchene (Eiffage)** : waste-to-energy plant in Herstal for Intradef - €15 M
- **Duchene (Eiffage)** : nursing home in Flémaille - €9 M
- **Limpens (Eiffage)** : Antwerp, "Nieuw Zuid" project, for NV Fico : flats, offices, retail center, supermarket, underground car park and Orthodox church - €15.9 M
- **Sodraep (Sade)** : IGRETEC, construction of a sewer - €2.849 M
- **Sodraep (Sade)** : IBRA, rehabilitation of the sewerage network of Schaerbeek - €2.708 M
- **Spie Belgium** : Intermunicipal, incineration plant of Thumaide : installation of a line of purification of the fume - €10.2 M
- **Spie Belgium** : The European Parliament, replacement of the eight machines of cooling - €2 M
- **Spie Belgium** : ELIA, post of Brugge Zuid (36Kv) : electric equipment - €2 M
- **Spie Belgium** : SOWEAR, airport of Bierset : low currents - €2.7 M
- **Spie Belgium** : OVL KLINIEKEN, private clinic Notre Dame d'Alost : air conditioning - €4.7 M
- **Valens (Eiffage)** : Mobistar, telecommunications center - €9.7 M
- **Valens (Eiffage)** : renovation of building in Brussels for ING Belgium SA - €11.9 M
- **Valens-De Graeve (Eiffage)** : Namur, side extension of Sainte-Elisabeth maternity hospital for ASBL - €9.1 M
- **VSE (Eiffage)** : electrical, electro mechanical and electronic equipment of tunnels and construction works for the Brussels-Capital Region ministry - €11.6 M

Czech Republic

- **Colas** : D47, Belotin-Hldeké-Zivotice (Lot 5) : excavation work, 18 km of road construction, 22 bridges including 8.2 km of safety barrier work - €113.4 M
- **FCC (Vinci Construction)** : construction of «U Hajku» residential scheme (2 hotels) and shopping mall in Prague centre - €15.9 M
- **SMP (Vinci Construction)** : drainage of waste water for Klatovy city - €11.5 M
- **SMP (Vinci Construction)** : renovation of the water treatment plant in Sous - €11.2 M
- **SSZ (Eurovia)** : 4-lane, R6 Tisova-Kamenny Dvur highway : SSZ is working in a consortium with Strabag, Metrostav and SMP, a subsidiary of VINCI Construction, to build a 7.54 km section of the R6 highway between Cheb and Karlovy Vary - €72.5 M (SSZ share : €24.5 M)
- **SSZ (Eurovia)** : Benesov-Strancice railway line : SSZ, in a consortium with Skanska and Metrostav, is building a 24 km section of the Praha-Ceske Budejovice-Linz (Austria) corridor - €148 M (SSZ share : €52 M)

Germany

- **Eurovia Verkehrsbau Union / Eurovia Beton** : Eurovia Verkehrsbau Union and Eurovia Beton have won the contract to widen the Berlin ring road (A10 motorway) from 4 to 6 lanes and to build 8 bridges over an 8 km section from the Marzahn to the Hellersdorf transverse sections - €25 M
- **Eurovia Teerbau GmbH** : Lembeck-Gescher section of the A31 motorway in Westphalia - €6.8 M
- **G+H (Vinci Construction)** : front of the thermal power plant in Neurath for RWE - €18.4 M
- **SKE Maintenance GmbH (Vinci Construction)** : maintenance of american bases in Hanau, Giessen et Darmstadt - €44.6 M
- **Spie Est** : National Library of Berlin, modernization of the communication sector - €2.8 M
- **Wittfeld (Eiffage)** : shopping center in Ennepetal - €9.3 M

Greece

- **Veolia Water Solutions and Technologies** : construction of a wastewater treatment plant - €14 M

Hungary

- **Colas** : Hwy M0, from road n°3 to Hwy M3 : 8 km of new road construction - €58.2 M
- **Colas** : Budapest-Ferencvaros to Vecses railway station : 24 km of double track railways, construction of a pedestrian path and pedestrian bridges, rehabilitation steel structures of the stations - €20.5 M
- **Degrémont, OTV (Veolia Water Solutions) / Hidépitő (Vinci Construction) / Alterra (Colas)** : design, build and operate for four years of the country's largest wastewater treatment plant in Budapest. It will come into service in 2010 and serve the equivalent of 1.5 million people - €290 M
- **Hidépitő (Vinci Construction)** : Budapest metro, line 4 : Kelenfoldi station - €45 M
- **Hidépitő (Vinci Construction)** : Budapest metro, line 4 : Fovam station - €36 M
- **Hidépitő (Vinci Construction)** : construction of grain's warehouse in Adony - 30 M€
- **Hidépitő (Vinci Construction)** : construction of the northern bypass on the Budapest ring road and bridges - €248 M
- **Magyarsade (Sade)** : city of Veszprém, reinforcement of the rainwater drainage network - €3.134 M
- **Magyarsade (Sade)** : Szákom, reinforcement of the rainwater drainage network to limit the flood of Danube - €2.823 M
- **Magyarsade (Sade)** : city of Szeged, reorganization of Szent Istvan Place - €1.495 M
- **Magyarsade (Sade)** : FCM Rt, construction of a new main sewer in Juranics St in Budapest - €1.402 M
- **Solétanche Bachy** : Budapest subway : diaphragm wall, raft and slabs for the Gellert station - €11 M
- **VINCI Construction Grands Projets (Vinci Construction)** : Budapest metro - €179 M

Italy

- **Galli (Eiffage)** : SKY's head office in Milan, electricity - €20.8 M

Lithuania

- **Eurovia Lietuva** : construction of new access roads to the Vilnius sports facility, for the City of Vilnius. Construction of 16,000 m² of new pavements and car parks - €6.4 M
- **Eurovia Lietuva** : Kelias Nr 5214 Bukiskis-Maisiagalas, road renovation and widening over a 5.680 km road section for the Lithuanian Highway Department : construction of sidewalks along the entire length of the section and a drainage system - €3.6 M

Luxembourg

- **CFE (Vinci Construction)** : construction of offices Drosbach - €33.6 M
- **Spie Belgium** : NATEXIS, Luxembourg : air conditioning of offices - €4.2 M

Netherlands

- **Spie Nederland** : DOW BENELUX, site of Dow Terneuzen : electrotechnical contract service in the field of electricity and instrumentation - €5 M

Poland

- **Bouygues Construction** : construction of a 22-kilometre section of the dual two-lane A4 motorway, including 17 bridges - €71 M
- **Eurovia Polska** : refurbishment of regional roads in Silesia (Contract N° 1) : 18,000 m² asphalt sub-base, 44,000 m² binder course and 44,000 m² wearing course on 6 km of roads - €1.6 M
- **Eurovia Polska** : refurbishment of regional roads in Silesia (Contract N° 2) : 119,000 m² binder course, 119,000 m² wearing course and construction of 28,500 m² of shoulders on 16.8 km of roads - €3.2 M
- **Mitex (Eiffage)** : Grand's hotel renovation in Warsaw - €12.5 M
- **Mitex (Eiffage)** : « Bâtiment de la Monnaie » in Warsaw - €12 M
- **Mitex (Eiffage)** : sports complex in Glogow - €9 M
- **Mitex (Eiffage)** : commercial center « Focus Park » in Bydgoszcz - €19.5 M
- **Veolia Water Solutions and Technologies** : construction of a wastewater treatment facility for PKN Orlen refinery - €27 M
- **Warbud (Vinci Construction)** : repair and construction of the Kwiatkowskiego viaducts near Gdansk - €49 M
- **Warbud (Vinci Construction)** : construction of Dell factory in Lodz - €59 M
- **Warbud (Vinci Construction)** : construction of a residential complex with business premises at no. 194 Grójecka Street in Warsaw's Ochota district - €31 M
- **Warbud (Vinci Construction)** : building of headquarters of ZUS (the social security agency) in Warsaw - €31 M

Portugal

- **Spie Batignolles** : Lisbon, Rossio tunnel - €3.5 M
- **Spie Sud-Ouest** : FIBEIRA, complex tourist in Algarve : electricity, air-conditioning and mechanical equipment - €3.7 M
- **Spie Sud-Ouest** : Lusiada hospital in Lisbon, air conditioning - €2.6 M
- **Spie Sud-Ouest** : SPORFORM OVAR, shopping centre in Porto : electric equipment and air conditioning - €1.8 M

Romania

- **Acvatot (Sade)** : Cora, construction of roads and other networks for a supermarket in Cluj - €2.353 M
- **Acvatot (Sade)** : Viarom, installation of pipes for water, gas, fire and watering networks of logistics area of Mogosaia - €1.068 M
- **Bouygues Construction** : shopping centre in Bucharest : core and shell works for 100,000-sq.-metre "Shopping City" - €30 M
- **Colas** : road DN 17 from Campulung Moldovenesc to Gura Huorului and from Gura Humolului to Suceava : 72 km of road and bridge rehabilitation - €56.1 M
- **Colas** : DN 1 from Sercaia to Brasov Sibiu county border and from Brasov Sibiu county border to Sibiu : 79 km of road rehabilitation - €39.1 M
- **VINCI Construction Grands Projets (Vinci Construction)** : IASI shopping center - €42 M

Russia

- **ETDE (Bouygues Construction)** : plumbing and air conditioning for 2 towers in Moscow - €8.5 M

Serbia

- **Intermost (Vinci Construction)** : construction of engineering structures above the Belgrade-Novi Sad motorway (lot 1.1) - €19.9 M

Slovakia

- **Colas** : waste treatment plant in Kavečany : 9.3 km of pipe work, modernisation of the plant and sewerage works - €23 M
- **Colas** : Hwy D1, from Mengusovce to Jánovce : 8 km of new pavement including the construction of a tunnel and 12 bridges - €74.6 M
- **Colas** : water treatment plant Vranov : construction of the pumping station including 7 750 m of main water system pipe work and 86 000 m of sewerage pipe work - €41.2 M
- **Eurovia Cesty** : refurbishment of streets in the city of Kosice : reworking of kerbs, levelling of covers and application of asphalt mix over an area of approximately 205 000 m² - €2.6 M
- **Eurovia Cesty** : Parkridge DC 4, BR 0109 : construction of an industrial hard surface : earthworks, soil stabilisation, building foundations, drainage, roads and finishing in self-blocking cobblestones and gas and drinking water networks - €2.1 M

Spain

- **Degrémont** : Aguas del Ter Llobregat, the publicly owned company responsible for water in the Barcelona region, has signed a contract with Degrémont and Aguas de Barcelona to design, build and operate for two years Barcelona's first reverse osmosis desalination facility. It will have a capacity of 200.000 m³/day and will be operational in mid-2009. It will become the largest seawater desalination plant in Europe, supplying drinking water to nearly 1.3 million of residents in the Barcelona region - €159 M
- **Probisa (Eurovia)** : upgrade of the A7 motorway tunnels in the Province of Murcia to the new safety standard : construction of two emergency escape tunnels (194 and 188 metres) ; replacement and improvement of tunnel, control centre and connecting tunnel equipment (energy supply, general electrical installations, ventilation system, fire protection, sound system, safety and inspection system) - €5.2 M
- **Probisa (Eurovia)** : road safety , alternative route of the A4, Southern motorway, from pk 340,000 to pk 341,500 (Andujar-Villa del Río section, Province of Jaén) : re-routing of a section (1,260 metres x 7 metres) of the left-hand pavement (in the Madrid direction) and slight modification of the route on a section of the right-hand pavement (485 metres). Still to come : construction of an engineering structure above the Espeluy-Córdoba railway line and extension of an overpass - €2.3 M
- **Rus (Eiffage)** : Arroyo Callero, main services work in Malaga - €9.5 M€
- **Spie Batignolles** : Madrid, sports city : diaphragm wall - €3.6 M
- **Spie Batignolles** : Malaga, diaphragm wall - €3.5 M
- **Spie Est** : GROUP PSA, plant of Vigo : automatism installation - €2 M
- **Spie Sud-Ouest** : Barcelona, hospital complex of the valley of Hebron : HVAC - €6 M
- **Spie Sud-Ouest** : airport of Barcelone, new terminal : network fire extinction - €3 M

Switzerland

- **Bouygues Construction** : design and construction of Raurica Nova amusement park in Basel, including a water park, offices and a hotel - €108 M
- **Jantz (Vinci Construction)** : refrigerated installation in Möhlin for Frigosuisse AG - €7.8 M
- **Spie Batignolles** : Neubois tunnel : road tunnel, 950 meters long - €32 M

Ukraine

- **Solétanche Bachy** : Okipnoi 16 Kiev, piles - €19 M
- **Solétanche Bachy** : Cersanit Novograd-Colynski, piles and earthmoving - €12 M

United Kingdom

- **BEAR (Ringway/Eurovia)** : BEAR has signed the contract renewal covering management, supervision, winter maintenance, emergency response and maintenance of the road network in north-eastern Scotland - €29.6 M per year (for five years with a possible two-year extension). BEAR won a similar contract for the road network in south-eastern Scotland.
- **Bouygues Construction** : design and construction of six schools under a PFI contract in London. Facilities management for 30 years - €155 M

- **Bouygues Construction** : design and construction of two social housing complexes in London, including one under a PFI contract with facilities management for 30 years - €120 M
- **Bouygues Construction** : 25-year maintenance contract for city lighting in London boroughs of Barnet and Enfield (57,000 light points) - €175 M
- **Eiffel UK Ltd (Eiffage)** : Limerick, steel gateway - €11.2 M
- **Ringway (Eurovia)** : Ringway has signed, in a partnership with Jacobs, a maintenance contract with Transport for London covering periodic maintenance of the road network in the central part of the London metropolitan area - €44.3 M per year (for six years, with a possibility of extension of four years maximum)
- **VINCI Plc (Vinci Construction)** : construction contract to build 24 new facilities including living, social, health and sports accommodation for the existing personnel at RAF Northolt under Project MoDEL (Ministry of Defence Estate in London) - £155.3 M
- **VINCI Plc (Vinci Construction)** : Brunel University, Uxbridge, Middx : demolition of buildings and construction of 17 student accommodation blocks - £51.4 M
- **VINCI Plc (Vinci Construction)** : design and build a nine storey multistorey car park (2,600 spaces) in Bristol and housing accommodation - £49.7 M
- **VINCI Plc (Vinci Construction)** : contract to design and construct a multistorey car park in Leicester's city centre and residential housing - £42.9 M
- **VINCI Construction Grands Projets (Vinci Construction)** : design-build contract for the Kincardine bridge in Scotland - €143.6 M
- **Wittfeld (Eiffage)** : wood treatment plant in Hexam - €26.7 M

AFRICA

Algeria

- **Bouygues Construction** : construction of new British embassy in Algiers - €12.6 M
- **Razel** : rehabilitation of four rail tunnel for SNTF (Société Nationale des Transports Ferroviaires) - €50 M
- **Spie Oil & Gas Services** : SONATRACH, security of oil sites : the first with Harzew and the second with Bajaia - €55 M
- **VINCI Construction Grands Projets (Vinci Construction)** : Algiers metro, line 1 - €121 M
- **VINCI Construction Grands Projets / Sogea Satom (Vinci Construction)** : drinking water supply in Ouargla - €36 M

Angola

- **Spie Oil & Gas Services** : FINA PETROLEOS OF ANGOLA, network of pipeline (flowline) in the area of Soho : engineering, procurement, construction and pre-commissioning - €19.4 M

Benin

- **Colas** : Akossombo, Souvenir Place in Cotonou : widening work on an 8-lane road to a width of 7 meters for each direction, separated by a median strip - €13.2 M

Burkina Faso

- **Sade** : ONEA, construction of drinking water supply networks of Ouagadougou - €7.652 M

Cameroon

- **Razel** : Douala port, rehabilitation of the berths n°8 to 11 and construction of the berth for access (lot n°1B) - €6.6 M
- **Razel** : Loum road-Nkam bridge (57 km) for the Ministry of Public Works : RN5 rehabilitation and maintenance (surface dressing, asphalt mix), construction of a prestressed bridge - €19.5 M
- **Razel** : Douala urban community, work maintenance for resurfaced roads in Douala (2006 programme) - €2.8 M

- **Razel** : refurbishment of the foundations and superstructure of the Ebedda bridge on the Sanaga (1,020 ml) and three others construction works from 100 to 160 ml for the Ministry of Public Works - €6.5 M

Chad

- **Sogea-Satom (Vinci Construction)** : Avenue Niéméry - €11 M

Congo

- **Bouygues Construction** : reconstruction of 63-kilometre section linking Brazzaville to Pointe Noire - €70 M
- **ETDE (Bouygues Construction)** : construction in Dolisie of a water supply network and an electrical network, including a power station, 20 transformer stations, a low-voltage network and part of the public lighting - €20 M
- **Sogea-Satom (Vinci Construction)** : N'Djili drinking water station, unit 3 - €27.4 M

Equatorial Guinea

- **Bouygues Construction** : upgrading of the 3,000-m long main runway and the taxiways of the Malabo international airport - €44 M

Gabon

- **Sogea-Satom (Vinci Construction)** : reinforcement and improvement of the asphalted road linking Franceville to Lékoni (94 km) - €23.8 M

Madagascar

- **Colas** : RN 2, section K 3+250 / K 317+800 : 314 km of work maintenance - €22.2 M
- **Sogea-Satom (Vinci Construction)** : RN 6 and RN 25 - €18 M and €13.3 M respectively

Mali

- **Sogea-Satom (Vinci Construction)** : Ansango-Labezanga road - €28 M

Morocco

- **Bouygues Construction** : turnkey construction of a luxury hotel complex inside the old city walls of Marrakech - €70 M
- **CTHM (Sade)** : Redal, construction of drinking water supply networks of Rabat's industrial area - €1.648 M
- **Sade** : ONEP, rehabilitation of drinking water pipes of Tetouan - €5.05 M
- **Sade** : ONEP, rehabilitation of drinking water pipes going from Rabat to Casablanca - €3.557 M
- **Sade** : ONEP, reinforcement of drinking water supply networks of Tetouan from the dam of Raouz - €2.347 M
- **Sade** : ONEP, construction of drinking water supply networks of Marrakech - €1.857 M
- **Solétanche Bachy** : Rabat, marine outfall tunnel for processed sewage - €13 M
- **Spie Sud-Ouest** : Special Agency Tangier-Mediterranean, construction of the new harbour of Tangier : electrical supply Network, lighting and low currents - €4.3 M

Niger

- **Razel** : rehabilitation and work maintenance for Dogondoutchi-Birni N'konni-Tahoua section (390 km) for the Ministry of Economy and Finance : recycling and bituminisation work - €29.2 M
- **Sogea-Satom (Vinci Construction)** : rehabilitation of Ayorou-Yassane road - €14.1 M

Senegal

- **Degrémont** : extension of the capacity of the drinking water and pumping plant at Keur Momar-Sarr which supply the capital with drinking water. Built by Degrémont in 2004, it will have a capacity of 130.000 m³/day. This project is financed by the World Bank - €8 M

- **ETDE (Bouygues Construction)** : plumbing, electricity and air conditioning for the 180-room 5-star Radisson hotel in Dakar - €5.5 M
- **Sade** : SONES, reinforcement of drinking water supply networks of Dakar - €1.352 M

NEAR & MIDDLE EAST

Bahrain

- **Veolia Water Solutions and Technologies** : construction of a desalination plant in Al Hidd - €280 M

Libya

- **Veolia Water Solutions and Technologies** : construction of desalination plants in Zawiya, Derna Soussa and Abutaraba - €220 M
- **VINCI Construction Grands Projets (Vinci Construction)** : Wadi Tumallah, drinking water supply - €44.4 M

Oman

- **Degrémont** : Suez Energy International, in a consortium gathering Mubadala Development and National Trading Company, and benefiting from Degrémont's reverse osmosis technology, won the Barka 2 IWPP (Independent Water and Power Project). Awarded by Oman Power and Water Procurement Company ("PWP"), the contract calls for the construction and operation of a 678 MW power plant and a seawater desalination plant with a capacity of 120,000 m³/day
- **OTV (Veolia Water Solutions & Technologies)** : design and build of a reverse osmosis seawater desalination plant in Sûr - €61 M
- **VINCI Construction Grands Projets (Vinci Construction)** : Wadi Dayqah dams, construction of a main dam made of 600,000 cubic metres of roller-compacted concrete and a secondary dam made of 800,000 cubic metres of backfill. The Wadi Dayqah dams are part of the water supply scheme for the cities of Muscat and Quriyat - €87 M

Qatar

- **Degrémont** : design, build and operate for 10 years the country's largest wastewater treatment facility. The 135,000 m³ per day plant, located twenty kilometres west of Doha, is designed for reuse of the treated water. It was the first DBO contract for Degrémont in the Arabian Gulf - \$180 M for design and construction (and \$80 M for its operation)
- **Degrémont** : design, build and operate for 10 years the Lusail sewage transfer and treatment system. The treatment plant will treat 60,000 cubic metres a day of wastewater, serving approximately 200,000 residents. The facility is scheduled to come online in late 2007. It is Degrémont's largest MBR (membrane biological reactor) wastewater treatment plant, and the first one in the Arabian Gulf - €188 M
- **Veolia Water Solutions & Technologies** : design and build of an effluent treatment plant at Pearl GTL complex which processes natural gas into liquid fuels, located in Ras Laffan - €119 M

Saudi Arabia

- **Bouygues Construction** : construction of Equestrian Club development scheme, including a five-star Park Hyatt hotel with 142 rooms and suites, sports clubs, spas and a marina. Facilities management for 25 years - €86 M
- **Freyssinet International & Cie (Freyssinet, Vinci Construction)** : Jamarat bridge in Mecca, prestressing works - €5 M

United Arab Emirates

- **Bouygues Construction** : construction of five-star Ritz Carlton hotel complex with 323 private luxury apartments, three restaurants, several conference rooms, ballrooms and sports facilities - €225 M

- **ETDE (Bouygues Construction)** : electricity, air conditioning and plumbing for the 5-star Ritz Carlton hotel in Dubai - €20 M
- **Solétanche Bachy** : Abu Dhabi, Al Raha Beach : diaphragm walls and soil improvement - €110 M
- **Solétanche Bachy** : Abu Dhabi, Al Raha Beach, canal : diaphragm walls and soil improvement - €34 M
- **Solétanche Bachy** : Dubai, Palm Jebel Ali : soil improvement using Vibroflotation - €43 M
- **Veolia Water Solutions and Technologies** : construction of a new desalination plant in Layyah - €37 M

Yemen

- **Spie Oil & Gas Services** : Consortium Yemgas, future factory LNG : installation of the telecommunications systems - €10.1 M

ASIA / OCEANIA

Australia

- **Austress Menard (Freyssinet, Vinci Construction)** : Mayfield, in New South Wales, 180 km north of Sydney : contract to build a soil-bentonite wall to prevent the pollution of the Hunter River on the edge of the site occupied by the former Newcastle steelworks - €11.2 M
- **Austress Freyssinet (Freyssinet, Vinci Construction)** : Swanson Dock West, port of Melbourne : remedial - €6 M
- **OTV (Veolia Water Solutions & Technologies)** : design and build of a reverse osmosis seawater desalination plant in Gold Coast - €130 M
- **Veolia Water Solutions and Technologies** : construction of a water plant in Bayswater - €33 M

Azerbaijan

- **Veolia Water Solutions and Technologies** : construction/rehabilitation of a wastewater treatment plant in Bakou - €35 M

China / Hong Kong

- **Bouygues Construction** : Hong Kong, construction of a tunnel for a cablecar - €53 M
- **Bouygues Construction** : Hong Kong, construction of a 4.5-kilometre-long tunnel for power cables - €53 M
- **Bouygues Construction** : Hong Kong, design, construction and facilities management for 40 years of the five-star Sky City Marriott Hotel with 658 rooms and suites - €85 M
- **Bouygues Construction** : construction of an 8-kilometre-long twin-tube tunnel (dual three-lane) beneath the Yangtze River Estuary to link Changxing Island to the Shanghai-Pudong area on the mainland - €185 M
- **Degrémont** : design and construction of a drinking water plant in the city of Macao, with a capacity of 60,000 m³/day. The new plant will be equipped with ultrafiltration membranes, developed by Group R&D. Macao will benefit from the most compact water treatment technology ever installed in China and the largest ultrafiltration unit in Asia - €13.5 M
- **Shanghai Pudong Water Supply and Drainage Construction Engineering Co (Sade)** : construction of drinking water supply networks of PuDong (Shanghai), PuXing Road, for Shanghai Pudong Veolia Water - €4.19 M
- **Shanghai Pudong Water Supply and Drainage Construction Engineering Co (Sade)** : construction of drinking water supply networks of PuDong (Shanghai), PuXing road area, for Shanghai Pudong Veolia Water - €2.6 M
- **Shanghai Pudong Water Supply and Drainage Construction Engineering Co (Sade)** : construction of drinking water supply networks of PuDong (Shanghai), JuFeng and YunJian roads, for Shanghai Pudong Veolia Water - €1.76 M
- **Spie Nuclear** : Nuclear Power Qinshan Joint Venture Company, extension of the power station of Qinshan II, units 3 and 4 : supply of revolving groups of power supply of control drives for the control rods of the engine - €2.9 M

Malaysia

- **Veolia Water Solutions and Technologies** : construction of a wastewater treatment plant - €18 M

Singapore

- **Bouygues Construction** : construction of 73-unit Scott Highpark upmarket residence - €30 M
- **Solétanche Bachy** : Marina Bay Sands, diaphragm walls and barrettes for the hotels - €65 M

South Korea

- **Freyssinet Korea (Freyssinet, Vinci Construction)** : Chung Poong bridge, prestressing works - €10.5 M
- **Freyssinet Korea (Freyssinet, Vinci Construction)** : Geoga bridge, pylons and prestressing works - €9.9 M and €7.9 M respectively

Thailand

- **Bouygues Construction** : construction of Empire Palace tower with 440 luxury apartments in Bangkok - €25 M
- **Bouygues Construction** : construction of 10-tower Metro Park complex in Bangkok with 960 mid-range apartments - €6.7 M
- **Bouygues Construction** : construction of three residential towers in Bangkok (The Met) - €41 M
- **Bouygues Construction** : construction of two hotel complexes, Méridien Bangkok (273 rooms) and Emporio Palace (203 luxury apartments) - €31.5 M

Vietnam

- **Bouygues Construction** : construction of Saigon Pearl residential scheme with six towers located along the Saigon River - €18 M
- **Sodraep (Sade)** : city of Phu Ly, drainage and treatment of waste water - €4.538 M
- **VINCI Construction Grands Projets (Vinci Construction)** : engineering structures of the thermal power plant in Camau - €23 M

NORTH AMERICA

Brazil

- **Veolia Water Solutions and Technologies** : construction of a water treatment plant for a paper pastry factory in Bahia Sul - €19 M
- **Veolia Water Solutions and Technologies** : construction of a desulfatation plant for a Petrobras platform - €11 M

Canada

- **Colas** : Rivière-Ouelle municipality (Quebec), construction of main water supply and sewerage system - €13.5 M
- **Colas** : Hwy 43, Mayerthorpe Twinning (Alberta) : base and hot mix asphalt pavement work - €15.1 M
- **DJL (Eurovia)** : safety upgrade in the rue Notre-Dame, Montreal : the work consisted in rebuilding the bicycle lane, building a central reservation, planing and pavement surfacing as well as the re-structuring of a number of intersections between Dickson and Curateau streets. The bicycle lane was built in the autumn of 2006 and the rest of the work is scheduled this summer - €4.8 M (\$7.1 M)
- **DJL (Eurovia)** : A 55 motorway, doubling of the capacity of the motorway between Richmond and L'Avenir : between Richmond and Ulverton, foundations and cold recycling of a 7 km 2-lane section and asphalt mix over a 7 km 4-lane section ; between Ulverton and L'Avenir, asphalt mix over a 10 km 2-lane section - €9.2 M (\$13.5 M)

- **Freyssinet International & Cie / Freyssinet LLC (Freyssinet, Vinci Construction)** : Golden Ears bridge near Vancouver in British Columbia, stay cable - €6.1 M
- **VINCI Construction Grands Projets (Vinci Construction)** : Bright Water Tunnel - €165 M

United States

- **Blythe Construction (Eurovia)** : Blythe Construction is building a new taxiway at Piedmont Triad Airport in Greensboro, North Carolina, in the United States. The new taxiway is 1,085 meters long with an average width of 60 meters - €14.8 M (\$20 M)
